

STOP FLU

GET YOUR FLU SHOT

- **Ask for the flu vaccine when attending an appointment in Primary Care, Specialty Care, Urgent Care, or the Community Based Outpatient Clinics**
- **Manchester VA Medical Center Drive Through Flu Clinics:
Location: 718 Smyth Rd., Manchester, NH, behind the medical center, follow signs. Veterans and Employees welcome.**

2021 Drive Through Clinics:

September 16, 8am – 4pm

September 23, 8am - 4pm

September 30, 8am - 4pm

October 7, 8am - 4pm

We offer standard dose quadrivalent flu vaccine for everyone.

If interested, ask about FLUAD Quadrivalent, an adjuvanted flu vaccine for ages 65 and older.

***Please note the Flu Clinics will NOT be open prior to 8AM.**

***Please wear a mask or face covering.**

***Veterans are also eligible for flu vaccine at many community pharmacies in the VA community care network.**
